

**UW-Madison University Staff Child Care Grant Application**  
**For University Staff Employees at the University of Wisconsin-Madison**

The UW Madison University Staff Child Care Grant was developed to help address the high cost of quality early education and care and retention for permanent employees at UW Madison. The grant is funded by private gift dollars and is therefore subject to fund availability. Each year, 4-6 awards are given with an average award of \$500. This grant is meant to provide support to those who do not have other options for financial assistance in meeting their child care cost challenges.

**Eligibility:**

To be eligible you must be a permanent University Staff and work in a benefits-eligible position. This means you:

- work full time in a retirement eligible position;
- have a permanent appointment for at least twelve months prior to application;
- are **not** a student, post-doc or fellow, an employee of UW Hospitals, UW System, UW Extension or UW Medical Foundation. Students are encouraged to apply for the Child Care Tuition Assistance Program (CCTAP) at <http://occf.wisc.edu/cctap.html>;
- are either single **or** have a spouse/registered domestic partner who is also employed at least 50%; and
- have the ability to submit prior year's income tax documentation.

Your child (ren) must:

- be your legal dependent(s) verified by your tax return and you must be responsible for their child care costs, and
- be enrolled in a licensed or accredited early education provider in the State of Wisconsin.

Applicants should confirm provider status before applying for these funds. If you have questions about eligibility, please refer to page 4 of this application.

**Due to limited funds, grants are awarded based on need.** Total family income [taxable and non-taxable], assets, additional forms of support, [e.g. county, city or University] and family need are all determining factors. [Please use page 3 to describe special situations/circumstances for consideration.]

  - The selection committee encourages you to carefully respond to all questions.
