Pandemic Protocol

To ensure the safety of children, families, and staff during the COVID-19 pandemic, all UW-Madison Campus and Network Centers closely monitor the circumstances in their classrooms and take into account the guidance and recommendations from [The University of Wisconsin-Madison](#), [Public Health Madison](#) and [Dane County \(PHMDC\)](#), and the [Wisconsin Department of Children and Families \(DCF\)](#).

Programs will also rely heavily on the information and data provided by the [Centers for Disease Control and Prevention \(CDC\)](#), and federal, state, and county governments.
